

Portola Valley PTO

Dear Portola Valley School District Parents:

The Portola Valley School District Parent Teacher Organization (PTO) is thrilled to welcome you to the 2018-2019 school year! We hope you had a wonderful summer and look forward to seeing you at Back to School Night.

As you may know, **the purpose of the PV-PTO is to foster and support our unique school communities through:**

- **Funding of cultural assemblies**
- **Community outreach via the PTO Weekly**
- **Volunteer recruitment and assistance**
- **Teacher support and appreciation**
- **School directory**
- **Organization of popular community events (Turkey Trot, Back to School Picnics)**

This year, we are offering many of the same programs as in the past, and we're continuing to simplify and streamline programs to ensure your time and donations are well spent. All parents are invited and encouraged to participate in the PV-PTO's activities. Your involvement in your child's school does make a difference!

Funds to support all PTO-sponsored programs are generated through direct donations from parents like you and parent-coordinated fundraisers. We are excited about the fundraising events we have planned for this school year, including community businesses such Bianchini's Market, Honey Bear Trees and Minted. Watch the PTO Weekly for more info!

We ask parents to donate to the PTO in the first few weeks of school to support the coming year's programs and activities. You'll receive a free directory with a donation of \$100 or more. **Your financial support is a critical way to ensure that the programs (such as Cultural Assemblies, the Turkey Trot and the Back to School Picnics) that make our schools and the PVSD community so special continue year after year.**

Attached you will find a PTO donation form and a Corte Madera yearbook form. Please fill these out and return to the Corte Madera office.

We look forward to your support and another fun, exciting, and productive school year! If you have any questions, please don't hesitate to contact one of us.
